## St. Aloysius on the Ohio School

St. Aloysius on the Ohio is a small school situated along the scenic Ohio River valley in the historic Sayler Park area of Cincinnati. The school has a proven track record of academic excellence for the past 137 years. Strong family values and involvement is a key ingredient for the successes at the school. Small class sizes allow more individualized attention for students from an outstanding professional staff committed to the success of each individual child. The school offers competitive tuition rates, accepts Ed. Choice scholarship students and offers a PreSchool program for 3 & 4 year old children with both half and all day options.

In recent years major renovations have been made to the school building including central air conditioning, sound proof ceilings, new windows and student lockers. This year the students are in the process of winning a national reading contest through Family Magazine worth \$5,000 due to the superior Accelerated Reader and Library program in place at the school. This past fall St. Al's was one of only 34 schools in the nation selected to win the NFL Play 60 contest which resulted in a \$10,000 check to help the school promote health and wellness at the school.

The students at St. Aloysius enjoy a safe, nurturing environment that encourages mutual respect and self-discipline. Students receive a full complement of the "Art's" taking Music/Physical Education twice and Art one time each week. Students with special needs receive accommodations through support services from a Speech Pathologist and an Intervention Specialist. Enrichment activities are offered through athletics, and the school boasts one of the best Accelerated Reader programs in the area. A solid faith-based Catholic education with Religion class daily and All School Masses weekly are key ingredients that contribute to the outstanding reputation of the school.

Please call (513) 941-7831 or (513) 941-3445 to schedule a personal tour and receive an information packet.
